1954 COMET

FOREWORD

On a memorable summer day in 1821 Stephen F. Austin led a group of determined pioneers into the rugged and unexplored Southwest. There Texas had its beginning, and there also a new way of life was begun. Our capital city is named for the man who led that first expedition to Texas. Our high school, one of the many institutions of learning established in Texas since the beginning of public education one hundred years ago, also bears his name. To him and to all the others who paved the way for us and for the lives we enjoy, we owe our deep appreciation and gratitude. Even more important, we should dedicate ourselves anew to carrying out the traditions and ideals which they initiated.

This year, 1953-54, has been a pioneering one for us at Stephen F. Austin High School. The first year of sharing our privileges and opportunities with two newer, more modern high schools has afforded us many rich experiences in cooperation with others. Yet, Stephen F. Austin High School has retained its individual qualities as well, carrying on the traditions of scholarship and loyalty which are a part of its heritage. It is to this rich heritage of school, city, and state that we have dedicated the pages of this book. In so doing we have attempted by picture and word to link the past and the present into a living record of life at Stephen F. Austin High School.

The true value of a yearbook lies in the pleasure which is derived from it. We, the Comet staff of 1954, sincerely hope that your 1954 Comet will preserve and recall the memories of your friends and your life at Stephen F. Austin High School.

Mr. G. C. Harris and Mrs. Martha Ragsdale, teachers at Stephen F. Austin High School, and Mr. Irby Carruth, Superintendent of Schools, walk down the hill from the State Capitol.

N I S T R A T I O N

Principal

Always friendly and willing to lend his assistance to both teacher and student, Mr. Lipscomb Anderson has served Stephen F. Austin High School well in his first year as Principal. Stepping up from the office of vice-principal, a position which he had occupied for three years, Mr. Anderson became the tenth principal in the history of Austin High School. He is well qualified to hold this important job, having had over twenty years of experience in education and an M.S. degree from Texas A. & M.

Mr. Anderson's accomplishments during 1953-54 include working out many activities with the two other Austin high schools as well as maintaining our school's position as a leader in competition with other Texas high schools. Through his industry and guidance Stephen F. Austin High School was a leader in Austin's gigantic centennial celebration of public education in Texas. For Mr. Anderson's hard work behind the scenes and for his ever-ready smile and encouraging word, we, the student body, are deeply grateful.

Mr. Anderson shows Robbie Burlage, Hi-Y President, the Public Schools Week posters which the Hi-Y chapter at Stephen F. Austin High distributed.

Vice-Principal and Dean of Boys

Mr. R. V. Baker, our new Vice-Principal and Dean of Boys, came to Stephen F. Austin High School from Waco, where he was principal of the Technical High School. In the past year hard-working Mr. Baker has become a familiar figure to the students, for his many duties include handling registration, overseeing the buildings and grounds, and planning and introducing all assembly programs. Mr. Baker has a B.A. degree from Baylor University and an M.A. degree from the University of Texas, and has served as principal of several Texas high schools, as well as being a school supervisor with the U.S. Army in Japan.

Dean of Girls

Another pioneer during 1953-54, Mrs. Jane Wilson has served her first year as Dean, moving up from the position of Social Director. Her jobs have been numerous, including sponsoring the Student Council, sponsoring the cheerleaders, serving as director of all social activities, and serving as school nurse. Mrs. Wilson's office has become a favorite spot for students who need assistance with school problems and for those who just want to talk to the friendly, likable Dean. To her new job Mrs. Wilson brought a B.S. and an M.S. degree from Louisiana State University.

Counselors

Mr. Armand Lanier, Miss Ada Maude Owen, and Miss Lilybeth Lewis, counselors, are always willing to guide or to listen, helping students with their personal problems, occupational guidance, college information, or high school course of study.

Attendance Clerk and Registrar

Mrs. Lula Williams, Attendance Clerk, checks and records daily absences—and listens to excuses! Mrs. Mayme Johnson, Registrar, keeps permanent grade records for each student in Stephen F. Austin High School.

Office Staff

Mrs. Evelyn Ealy, Library and Guidance Office clerk. Mrs. Mae Amundson, typist in Attendance Office, Mrs. Iris Woodward, bookkeeper, and Mrs. Lorena Crosby, secretary to the principal, perform the detailed duties that keep the school running smoothly and efficiently.

School Board members are, seated left to right, Mr. Walter Koch, Mrs. Russell N. Lewis, Mr. Noble W. Prentice, Mrs. O. D. Weeks; standing, Mr. Arch G. Adams Jr., Mr. David Lamme, and Mr. Willie I. Kocurek.

Accepting the challenge of an increasingly scientific existence, the Science Faculty has sought to train the student of today to become the scientist of tomorrow or to better understand the nature of living things.

The clicking of typewriters, the whirring of machines, and the sound of pens on shorthand pads have testified that the Commerical Department prepares its students to take their places in the business world.

Knowledge of the fundamentals and intricacies of mathematics prepares students for specialized professions, as well as for ordinary everyday living. The Mathematics Department has taught, that this knowledge might be understood, assimilated, and finally put to use.

A thorough knowledge of the history of the world and the functionings of governments is necessary for understanding on the part of any good citizen of what is going on about him. The Department of Social Studies strives to present a true picture of the world, both ancient and modern, and in so doing provide an understanding of history in the making.

To keep the hands busy, the Department of Industrial Education offers a variety of subjects from which the student may choose. He may learn mechanical drawing or drafting, printing, or he may work with wood or steel. Instructors feel that preparation in these specialized courses will lead to work and will prove invaluable in the everyday business of earning a living.

The Fine Arts Department teaches, with wisdom, the gospel of harmony: the blending of voices and the blending of melodies, the blending of colors and the blending of personalities, for only in complete harmony is found complete beauty; and beauty brings joy to a sad world.

In the accurate toss of a ball or the effective swing of a racket, students gain precision and grace. In the competitive game and the formal drill, they gain strength and vigor. Since disciplined minds and trained bodies are essential to successful living, the Physical Education Department plays an important part in our school curriculum.

The Home Making Department includes many subjects, ranging from courses that teach the simplest culinary arts to those that teach the greatest art of all, that of gracious living. Home Making teachers work with the knowledge that from their classrooms go the future homemakers of America.

The study of languages acquaints the student with the idioms, the traditions, and the customs of other peoples. It facilitates an understanding of and a sympathy with all nationalities. The Language Arts teachers have missed no opportunity to further this understanding, to teach tolerance and acceptance in this post-war "One World."

Training in the physical sciences has become more and more vital in a world that depends upon the latest in research and invention. The Physical Science Department seeks to train the student so that he may design a better mouse trap, invent more economical methods of life, and devise more effective checks on disease, erosion, and the ills that do beset us.

STUDENT

The Student Council, Stephen F. Austin High School's student governing body, is composed of one member from each advisory who serves as representative at the weekly meetings. The representative then reports to his advisory the action recommended by the Council, receiving any suggestions which his advisory might make. The Council works to build up school spirit, to foster worthy student movements and welfare drives, and to determine student attitudes on important prospective changes in school life.

RED JACKETS

When the Stephen F. Austin High School Red Jackets marched out on the football field at half-time last September, they were carrying on a tradition of twenty-seven years. The maroon and white clad pep squad has become a well-known symbol of school spirit and service since the day when the Red Jackets sold their first streamers and ushered at their first symphony concert.

One hundred and twenty-three members strong, the Red Jackets in 1954 were as energetic and as full of pep as ever, never failing to cheer on the team through football and basketball season. The Band-Red Jacket party, the Christmas formal, the annual mid-winter banquet, and the spring picnic when the new officers were announced were only a few of the many activities which kept Red Jackets busy as they marched and cheered "side by side."

Leading a cheer for the hard-fighting Austin Maroons are Red Jacket officers Mary Paige Benbow, treasurer; Nancy Klotz, vice-president; Etta Mae Courtney, secretary; Sandra Moore, president; and Sylvia Guerrero, sergeant-at-arms.

MAROON BAND

Recognized throughout Texas as one of the state's finest musical organizations, the Austin Maroon Band has this year, under its new director, Don Hayes, continued its outstanding performance. In 1954 Interscholastic League Regional Contest, the band was given a first division rating both in concert playing and sightreading, while twenty-nine individual awards were earned by members for solos and ensembles. Two AHS bandsmen, Jimmy Williams, bass clarinet, and Carroll Ann Hodges, clarinet, were placed first chair of their respective sections in the 1954 All-State band.

The band, together with the Red Jack-ets, provided sparkling half time shows at all home football games, as well as two of those held out of town; participated in several parades; and presented on May 6 their annual spring concert.

SYMPHONY ORCHESTRA

Nucleus of the All-City Orchestra is the Stephen F. Austin High orchestra, shown below at rehearsal.

Organized this year by Weldon Covington, Supervisor of Instrumental Music in the Austin Public Schools, the All-City Orchestra is composed of students from the three senior high schools and the five junior highs and includes as well a sixth grader from one of the elementary schools.

Rehearsing during after-school hours only, the All-City Orchestra presented its first annual concert this year on March 15. Besides Mr. Covington, who was former director of the Maroon Band, there appeared on the program three guest conductors: Clifton Williams, Assistant Professor of Theory and Composition at the University of Texas; Victor M. Williams, director of band and orchestra at Travis High; and Kenneth Ragsdale, director of band and orchestra at University Junior High.

Since Austin High has always had only a small orchestra, this is the first time there has been so large a youth symphony orchestra here in the Capital City.

NATIONAL HONOR SOCIETY

The National Honor Society is an honorary organization established to encourage in high school students the development of character, scholarship, leadership, and service. Membership in NHS is an honor sought by all eligible students, for to be elected to this organization symbolizes not only that the student has maintained a high scholastic average throughout several semesters but also that he has revealed an ability to share responsibilities and to work well with others.

During this year the National Honor Society has held monthly meetings in the homes of the members. Besides operating the student PX, NHS members held coaching classes after school at the close of each six weeks. A semi-formal banquet was held in the spring, at which time new members were initiated.

Talking over spring semester activities are officers Mary Paige Benbow, historian; Julia Penn, treasurer; Martha McKay, president; Mary Ellen Embree, secretary; Carol Corley, vice-president; and (seated) Janelle Straiton, reporter.

COMET

Editor-in-Chief Kathy Cheavens holds a last-minute copy conference with chief photographer Joe Lee; Mrs. Katherine Norman, sponsor; and Ellie Millard, club editor; as the Comet takes shape.

Carroll Ann Hodges, organizations editor, receives help in laying out the double-page Band spread from Gayle Norman, faculty editor; Carlene Johnson, feature editor; and Carol Corley, senior class editor.

STAFF

A very vital part of this year's staff were the co-art editors, Helen Callicutt and Mary Paige Benbow, seated above. Literary editor Annette LaBauve and associate editor Julia Penn tied the art work in with copy and layout.

Below are pictured other helpers: Peggy Klumpp, senior section; Kay Sims, advertising; Brent Hickman, junior class and layout; Nelda Cummins, senior class and typing; and Curtis Smith, sports copy. Bagget Pace, not pictured, was also a valuable assistant.

TO PRESS!

Working long hours after school and on Saturdays, this year's Comet staff strived to make the 1954 Comet the best in the long history of Austin High School. Under the leadership of Editor-in-Chief Kathy Cheavens, and with the guidance of Mrs. Katherine Norman, publications sponsor, the Comet staff, composed of almost all new members, gave many hours to the building of this annual. Invaluable experience was gained in the art of publishing a yearbook, as well as the pleasure which comes from working with others.

Filling the major staff positions of the Maroon, the seven students pictured above are Robbie Burlage, editor; Joe Lee, photographer; Suzanne Chandler, feature editor; Curtis Smith, sports editor, Gay Neuman, news editor; Carolyn Seay, managing editor; and Janelle Straiton, advertising manager.

Austin Maroon

The Maroon office is one of the busiest centers of activity at Stephen F. Austin High School, for it is here that hard-working staff members publish the eight-page Maroon. In publication for the twenty-sixth year, the Maroon records news and events of school life in a school paper known throughout the state for its outstanding journalistic style and its wide appeal to the reader. This year the Austin Maroon was ranked in first place in the Texas High School Press Association competition held in Denton and received the top rating given by the international Quill and Scroll organization.

An enthusiastic group of tenth-graders began work on the Maroon, including those seated, left to right: Michelle Ginsburg, Sally Emerson, Pat Brown, Kathy Williams, Ben Oliver, Roddy Edens, Dick Smith, Judy Ravel, and Betty Oyervides. Standing are Joe Love, Gilbert Rodriguez, and Leo Reyes.

NATIONAL THESPIANS

To be chosen a member of the National Thespians is the highest honor a high school student of dramatics can attain. Membership in this national dramatics organization is open to any Red Dragon who has shown outstanding dramatic ability and willingness to work, and who has earned a total of fifteen points. A banquet is held each spring at which time the new Thespians are initiated.

Bobby was later named district "Best Actor" in Interscholastic League competition; and the Red Dragon play, "Out of the Thunder," received second place.

RED DRAGONS

Active since 1930, the Red Dragon Players, Stephen F. Austin High School's dramatic enthusiasts, present two plays each year to the public, as well as entering a one-act play in the Interscholastic League contest. Red Dragon members usher at various school functions and have an annual banquet in the spring. Members of this organization gain invaluable experience in working with others, as well as in learning the more technical aspects of dramatic work.

Membership in the Red Dragons is open to all students interested in dramatics, either in acting or production. Try-outs are held each spring.

VARSITY FOOTBALL

Head Coach Johnny Kitchen looked to the future with a smile, even though he knew that it would probably take several years to build a championship AAAA team after the division of Austin High School.

Travis Raven and Charles Jungmichel returned to their alma mater to help guide the training of the 1953 Maroons. They made a real place for themselves in the hearts of the boys and the fans.

Team Managers Dale Smith and Tommy Campbell were always ready with the right equipment at the right time. They ministered to the needs of the team with alacrity and sympathy.

MAROONS vs. TEMPLE

0-21

The first football game in the history of Stephen F. Austin High School was played by the Maroons against the Temple Wildcats September 11, 1953, at Woodson Field in Temple. Although Austin came out on the short end of the score, 21-0, the game was much closer than indicated.

Stand-outs in the Austin line were David Bramble and Kenneth Vaughan, both helping to stop the Wildcats through the center. John Hruska and Ernest Adams played bang-up defense, Hruska intercepting two passes. In the backfield, "Red" Bernal and Hruska teamed with Eddie Wallace, Walter Kidd, and Leissner Raven to grind out yardage with savage thrusts into the stout Temple line.

AUSTIN vs. ARLINGTON HEIGHTS

7-12

The second game of the season for Austin, a non-conference, proved the ability of Austin's line in the clutches. Arlington Heights had seven good scoring opportunities, but could count on only two. One of Heights' tallies, brought back on a penalty, was a thrilling 90-yard second-half kickoff return by Roy Menge.

Austin's only touchdown came in the final three minutes of the game on an 85-yard pass-run play from John Hruska to End Kenneth Sellstrom, which found Arlington Heights' secondary napping. Observers claimed it was the first time a Kitchen-led team had ever passed inside its own 20-yard stripe. Bernal converted.

Lester Boyer shaped up as an able man-under during this game.

MAROONS vs. STEPHEN F. AUSTIN HOUSTON 0-14

Forty-six minutes of hard-fought, scoreless football went by before the Mustangs of Houston scored two tallies within 30 seconds. During the game, Austin drew 95 yards on penalties, while Houston was set back 115.

The Maroons' most serious threat came mid-way in the first period when a 21-yard touchdown pass from John Hruska to Kenneth Sellstrom was called back. On three different occasions the Austin team drove within their opponents' 35-yard line; but these chances were nullified twice by fumbles and once on downs by the stubborn Mustang defense.

Fullback David Harrell turned in a brilliant performance that netted 54 yards in a series of line-smashing runs. Louis Hartgrove, Stanley Roper, David Bramble, Kenneth Vaughan, Carroll Lundin, and Red Bernal were a few of the outstanding Maroon players who received a burst of prideful applause from the Band, Red Jackets, and 7,000 spectators who cheered the squad into the dressing room after the final gun had sounded.

WACO, 14 - AUSTIN, 14

The meeting between the Waco Tigers and the Austin Maroons ended in a solid defeat for the team from the Capital City. Waco was reputed to have a team of championship caliber; so all that the fans asked of the team was a hard-fought battle, and this was exactly what they got.

Even in defeat, hard-fighting Eddie Wallace ran as fiercely as any Waco back, and Gilbert Bernal, David Harrell, and Leissner Raven showed flashes of brilliance. Austin put up a fine defensive fight, but Waco's mighty team proved too much even for Austin's best. It was the most points scored on the Maroons since another Waco team routed them 40-7, nearly 20 years ago.

Austin's two scores came in the second and fourth quarters as results of long ground marches. These TD's was scored by Leissner Raven and Red Bernal.

AUSTIN vs. GAINESVILLE

6-21

Absence of a scoring punch spelled defeat for the Austin Maroons on October 9 at House Park. Austin's fine secondary was off its usual form, and the Leopards capitalized on this weakness. Some bright spots were found in the Austin team, however, as defensive ends Terry Williams and Ernest Adams, along with linebacker Stanley Roper, turned in noteworthy performances. The running of Eddie Wallace, Leissner Raven, and Red Bernal offered about the only offensive spark for the Crimsons.

The Maroons' only score came as a climax to a 46-yard drive. Bernal and Raven took turns carrying the ball to the seven. After a penalty and a quarterback sneak by Roy Cloud put the Maroons on the one, Bernal bucked left guard behind the blocking of Henry Heath and Oscar Peterson to score Austin's first TD of the season at House Park.

AUSTIN, 28 - LAREDO, 0

After five pre-season losses, the spark of life came to the Maroons in their first district encounter and gave them a victory over Laredo.

Sparked by the splendid running of halfbacks Red Bernal and John Hruska and fullback Eddie Wallace, the Maroon ground attack showed what had been only briefly splashed in previous games. Bernal led the ground game with 86 yards on 12 carries, followed by Hruska with 61 yards on 13 carries and Wallace with 59 on 6.

Roy Cloud showed the best quarterbacking Austin produced all season with excellent play-selection and effective ball-handling. End Terry Williams played splendid defensive ball, aided by Oscar Peterson, Henry Heath, and Louis Hartgrove.

After a 47-yard touchdown pass from Hruska to Sellstrom had been nullified by a penalty in the second quarter, the Maroons went 52 yards to pay dirt. Bernal kicked the extra point as he did on the succeeding three TD's. Austin drove for a touchdown the first time it got the ball in the second half, with Bernal going over. Eddie Wallace climaxed a fourth-period 43-yard drive, steaming 16 yards around left end for the third TD.

Halfback Carroll Lundin got the Crimsons off to their final score, intercepting a Laredo pass and running 11 yards. Several plays later, Roy Cloud went over for the six-pointer.

MAROONS vs BRACKENRIDGE EAGLES

7-26

The second district game of the season was played on a rain-soaked field at Alamo Stadium in San Antonio. The Eagles of Brackenridge rolled 344 yards through the center of the Maroon line. The Maroons gained only 104.

Most of the Austin team's yardage came in the second half when the whole team began to roll. During this period the Maroons outscored the Eagles, 7-6. Walter Kidd scored the lone Austin touchdown on a one-yard plunge. Austin's conversion expert, Red Bernal, kicked the extra point. Kidd had 58 yards on 14 carries, while Raven counted 35 yards on 11. David Blanchard played an outstanding game in the Maroon line and was in on almost every play through the left side of the line.

MAROONS, 7 - ROY MILLER, 20

Even though the Maroons played one of their best games of the year, Miller slashed the Austin line for 318 yards on the ground in a see-saw offensive-defensive battle.

After both teams marched triumphantly down the field each time they got the ball in the first half, the Miller defense closed in decisively in the second half and stopped every Maroon drive cold.

The Crimsons' only score came in the first half when line-backer Oscar Peterson grabbed an attempted screen pass and raced 40 yards untouched for a score. Bernal converted.

MAROONS VS. THOMAS JEFFERSON

7-26

A bunch of hustling Maroons played inspired ball in the first half of the Jeff game to hold the Mustangs' pass-master Billy Dube at a standstill, with Jeff's only TD coming on a pass interception.

But, the Mustang offensive started clicking in the second half, and the Maroons could muster only one tally when Walter Kidd took a kick-off after Jeff's fourth TD and started a 56-yard march back to goal territory. Leissner Raven ran 16 yards, Boyer hit Terry Williams with a 9-yard pass, and Tommy Francis picked up six. After a 15-yard Mustang penalty, Raven churned the remaining distance. Bernal kicked the extra point.

Williams, end Ernest Adams, and linebacker Stanley Roper were impressive on defense.

AUSTIN-0, W. B. RAY-13

Playing inspired football, the Austin Maroons unrolled their final game before 5,000 screaming fans who were proud of a team that had lost nine games, while winning only one.

Though they dropped a tough 13-0 loss to W. B. Ray of Corpus Christi, the Maroons, led by 15 fighting seniors playing their final game for Austin High School, were never really beaten.

The first Ray score came as a result of a wobbly 38-yard pass in the third quarter and the second in the final 30 seconds of the game when Jack Jones broke through the middle of Austin's nine-man line and ran 59 yards into the end zone.

Senior stand-outs were fullback Eddie Wallace, halfback Leissner Raven, guards Henry Heath and Louis Hartgrove, and end Ernest Adams. But the juniors followed the senior leadership to play Austin's finest game of the year.

The game was a tribute to the fine coaching of Head Coach Johnny Kitchen, Line Coach Charlie Jungmichel, and Backfield Coach Travis Raven who began the season with only two let-terms and wound up with a fine Maroon football team.

MAROON BASKETBALL TEAM

TRI-CAPTAINS

Freddy Wendlandt, Rogers Wilson, and Carroll Lundin served as the tri-captains of the Maroon basketball team—the three vertebra that composed the backbone of the '53-'54 Maroon cage unit.

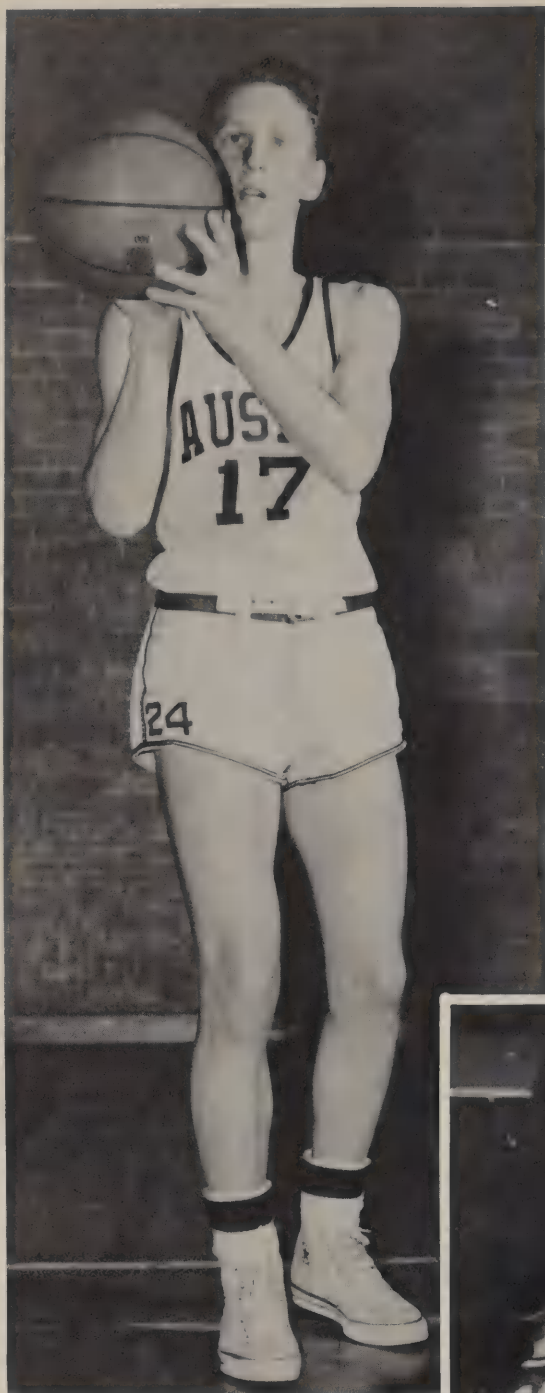

Freddy, the defensive ace, was runner-up for the outstanding player in the city, was first string on the All-City team, third team All-District and a two-letter man. He was rated by many as the "best passer in the district."

Rogers was third in scoring in the district, second team All-District, second team All-City, and a two-letter man. Rogers' rebounding, versatility, and sharp eye made him a valuable asset to the squad.

Carroll was acclaimed "outstanding player in District 6AAAA," first team All-District, and first team All-City. He ranked second in district scoring and claimed his second letter this year. Carroll reached his peak when he looped 22 points in the second McCallum game.

The three captains began their schoolboy basketball careers together in University Junior High School, where they led the Eagles to the City Championship. As sophomores all three made the Varsity as reserves. In their junior year they were all members of a Maroon team which staged some thrilling comebacks to go all the way to the State Finals and cop second in the state.

BASKETBALLERS PLAY

Dick Johnson—Red Hoss broke into the starting five late in the season to gain honorable mention and the admiration of Austin basketball fans. He will probably be the main-spring of next year's team.

After facing a formidable array of opponents in a rugged 24-game schedule, the 1953-54 Stephen F. Austin Maroon basketball team, under the exacting tutelage of Coach Wallace B. Dockall, captured 20 of these contests to record an .833 average and complete a highly successful season.

Although the Maroons were edged by Thomas Jefferson of San Antonio for the district title, they proved their mettle by placing every member on the All-District teams or honorable mentions. Center Ralph Caballero and guard Carroll Lundin (also most valuable player in district) gained first team honors. Rogers Wilson was ranked on the second team, Freddy Wendlandt on the third, and Dick "Red Hoss" Johnson rated an honorable mention.

The Maroons began their season with a 52-41 victory over the San Marcos Rattlers December 1. In their second contest the Stephen F. boys met and were defeated by the Alamo Heights Mules, 64-56, who later became State Champs in AAA. The Crimson's bounced back from the loss with a pair of victories over the William B. Travis Rebels, 50-27 and 50-33. Then they pasted the Knights of McCallum twice, 48-42 and 56-53. The Maroons defeated McCallum a third time, 47-41, February 8, to establish absolute supremacy in the city. After the second McCallum game, Austin tried San Marcos again, this time

SUCCESSFUL SEASON

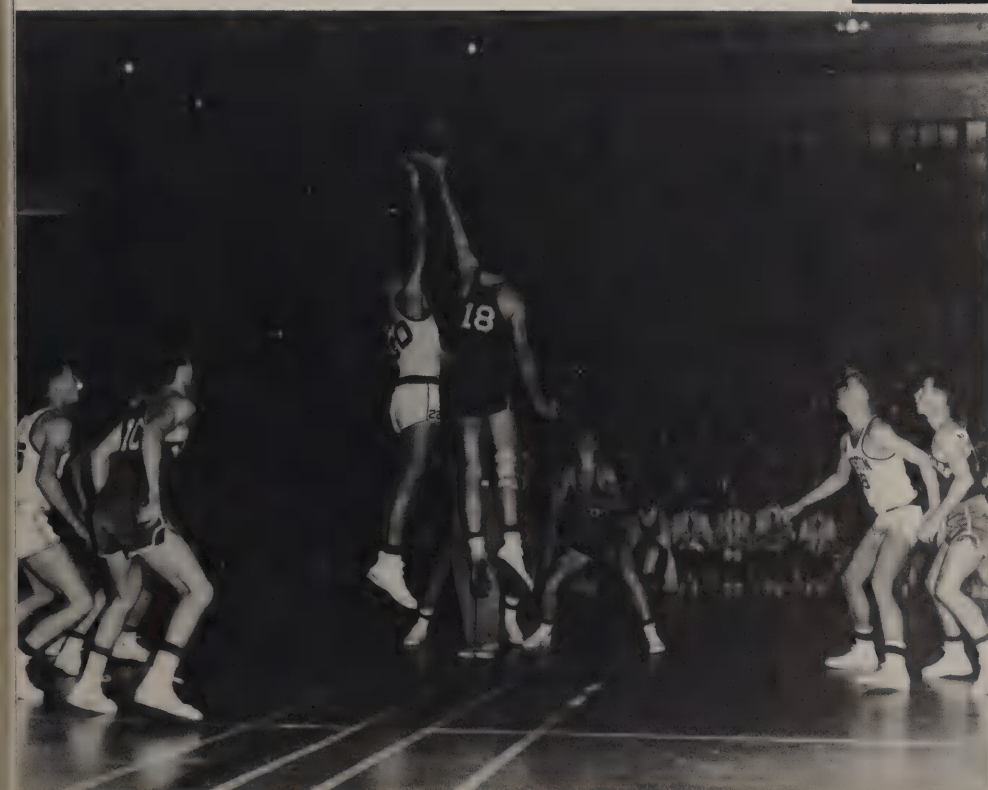

beating the Rattlers 67-46 in their own gym. A week later, the Maroons plied their talents in the San Antonio Invitational Tournament. They edged Edison, 46-42, in the first round and topped Miller, 56-37, in the second. In the semi-finals, they edged out a 47-42 victory over a tenacious San Antonio quintet, but that same night a weary Maroon team was toppled by Thomas Jefferson, 56-48.

Austin faced Jeff in their next match, this time in district play. The Fritz Connally-led Mustangs downed them 58-55 in the MIS gym. The Maroons began a short-lived comeback then with victories over Miller, 51-40; Laredo, 70-50; and Ray, 54-49.

On January 21, the Crimson received their most damaging blow, as the Brackenridge Eagles pulled off a costly upset in the Stephen F. gym. From that date on, the Maroons never lost another game, but the damage proved too great to overcome. With some changes in their line-up and determination in their minds, they gained a 47-43 sweet-revenge win over the defeated Jefferson in the first of eight consecutive victories. Next they blasted Brack, 52-37, for another taste of vengeance. Once they developed a taste for victory, the Austin boys discovered they had an insatiable appetite for it; and they whipped the Ray Texans 48-39; Miller, 70-53; and Tech, 59-34.

Ralph Caballero—Ralph's accuracy with the "hook," rebounding, and smooth pivot work played a big part in the Maroon attack and gained him a first string position on the All-District team.

Four Maroons go up to get that ball away from a McCallum player in one of the close contests between the two local teams.

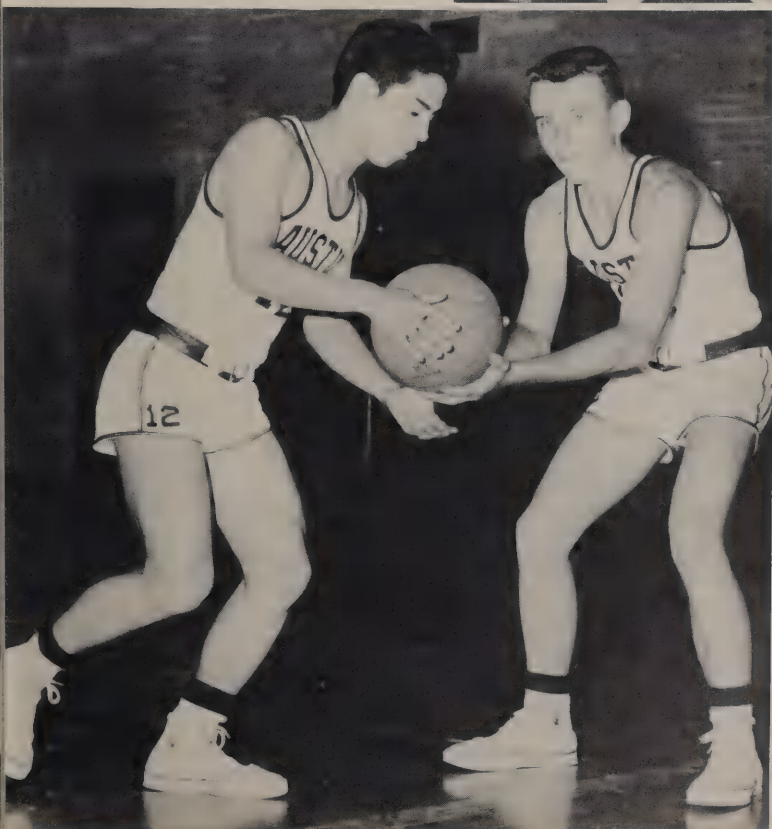

Freddy Wendlandt—In spite of a "good eye," Freddy didn't do much shooting. He concentrated on "feeding" his teammates, and defensively he became the terror of the scoring specialists on opposing teams.

Ralph Caballero looks on as teammate "Flea" Martinez attempts a field goal in the game against San Antonio Tech.

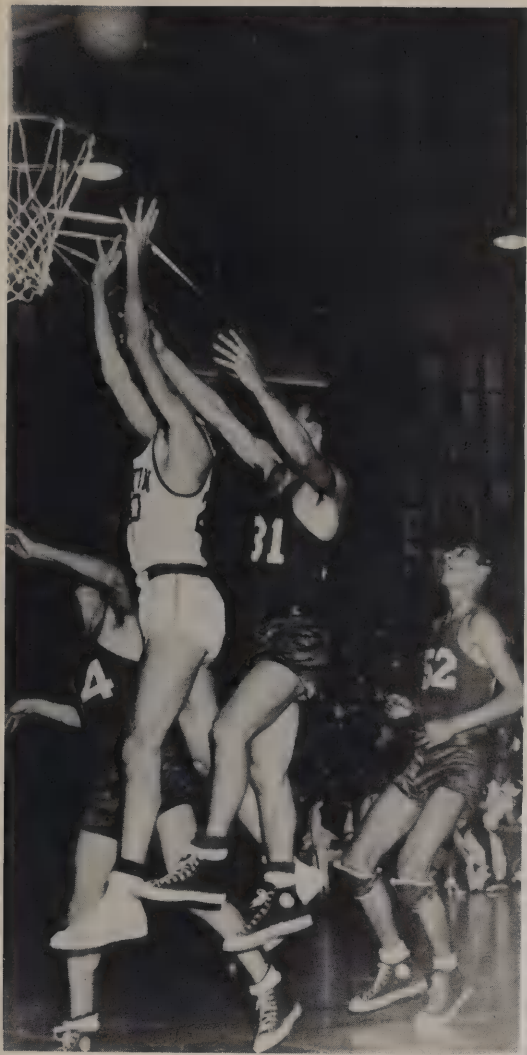

Johnny Reyes—Johnny, who as a junior guard didn't see too much action this year will be back to vie for a position next year.

Bill Drake—Bill, overshadowed by senior squad members, still showed plenty of hustle and promise for next year's team.

Ernest Adams—Ernest, a senior, added depth to the Maroon reserves.

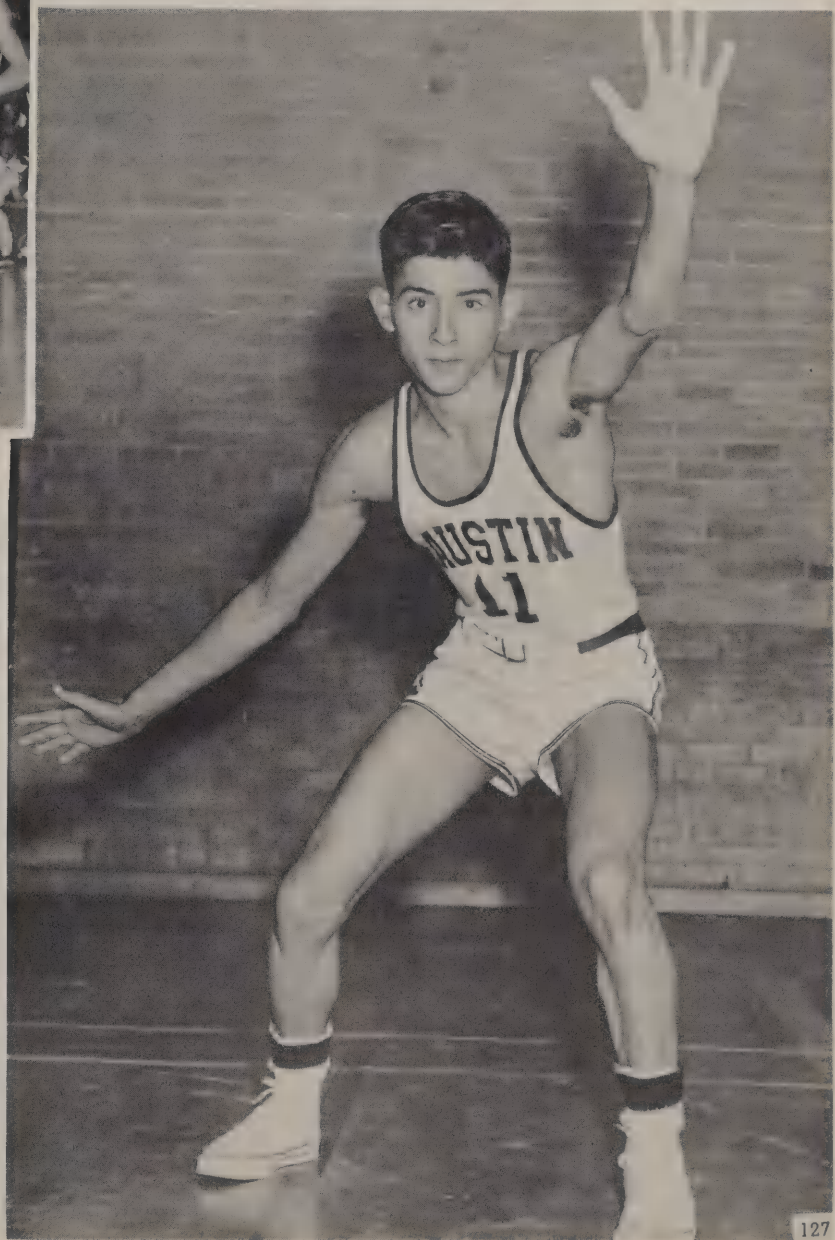

Rogers Wilson and Kenneth Vaughan watch helplessly as Roy Miller sinks a basket.

Ralph Caballero makes his try for a basket good, even against the tight defensive play of Laredo.

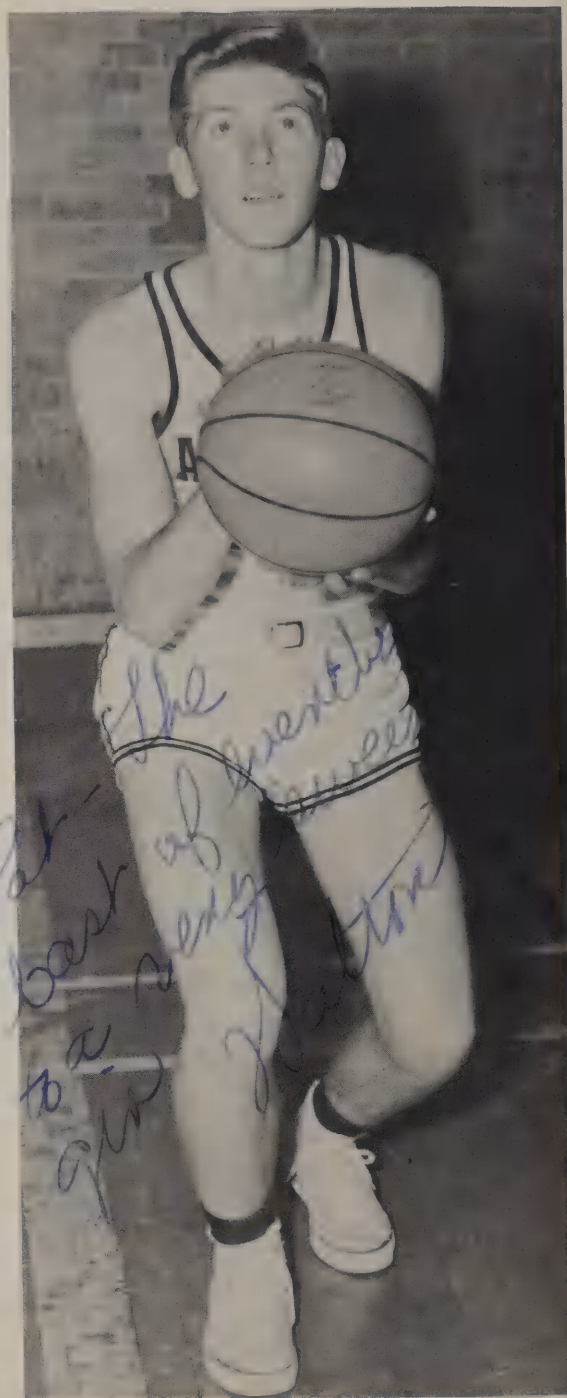

Gilbert Ramirez—"Flea" showed remarkable ballhandling ability and was frequently inserted as a "freezing agent."

Carroll Lundin—Sharp-shooting Carroll was an outstanding player, both on the Maroon squad and in District 6AAAA. His coolness under pressure established him as a leader of the squad.

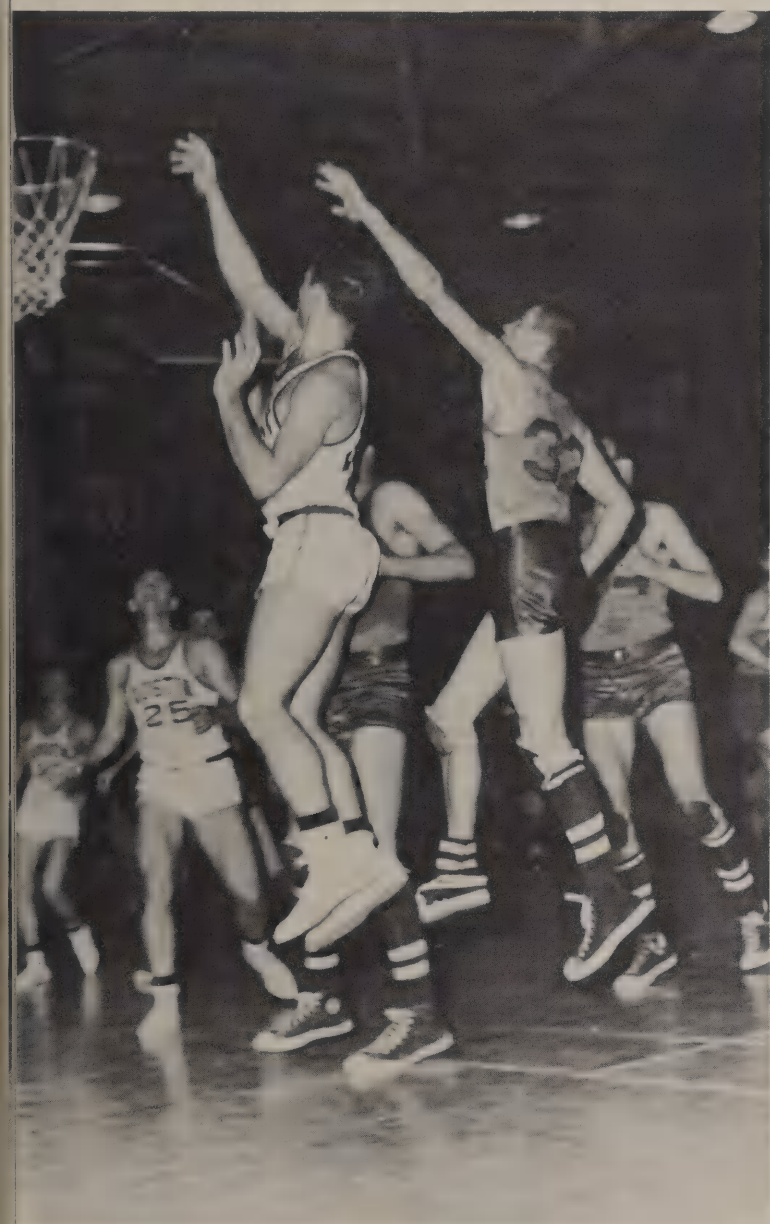

Walton Lundin—Only a junior this year, Walt showed signs of becoming one of the mainstays of next year's team.

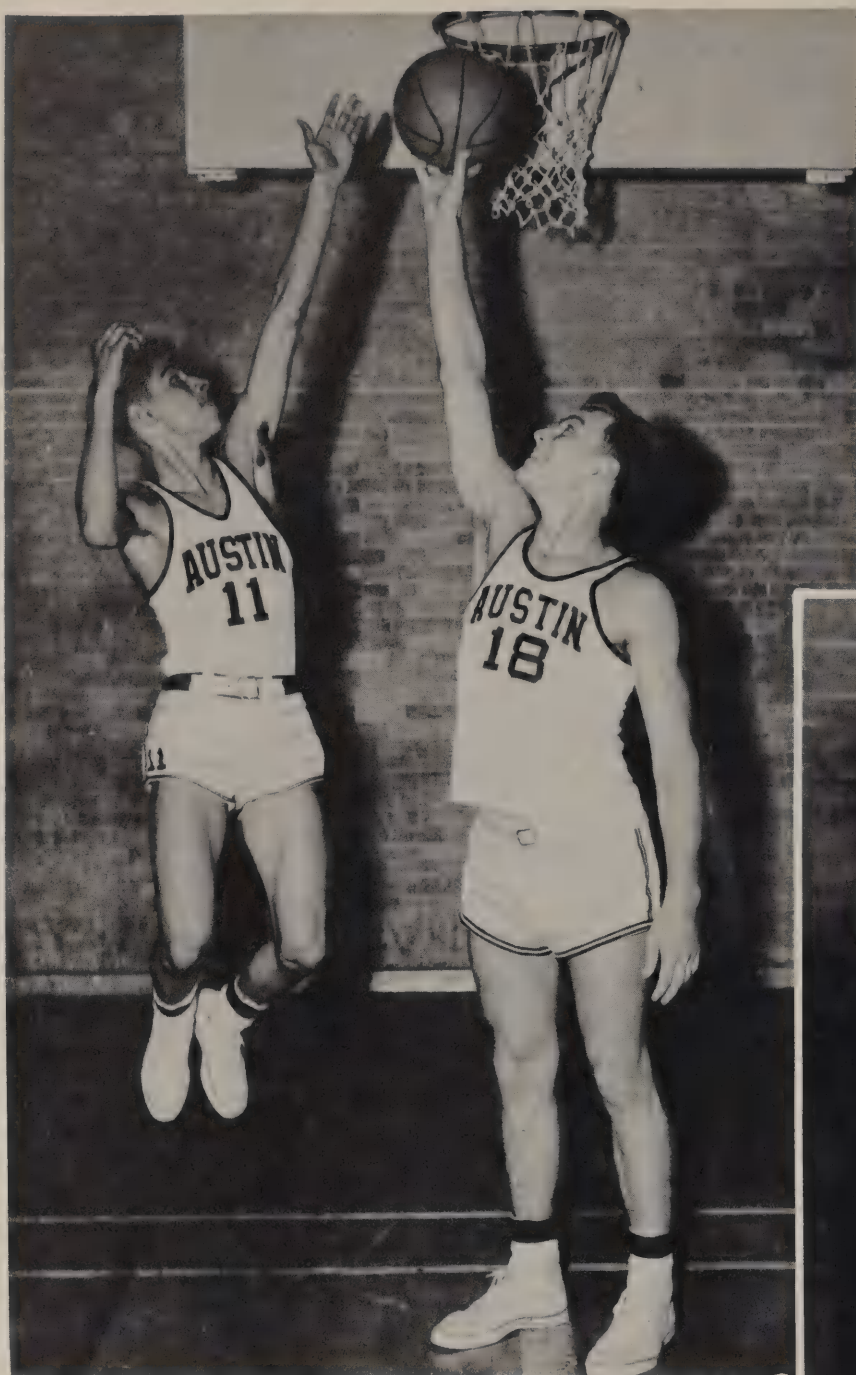

Bobby Tiemann—Number one reserve, Bobby was the ace in the hole. A senior, Bobby has been on the squad for three years.

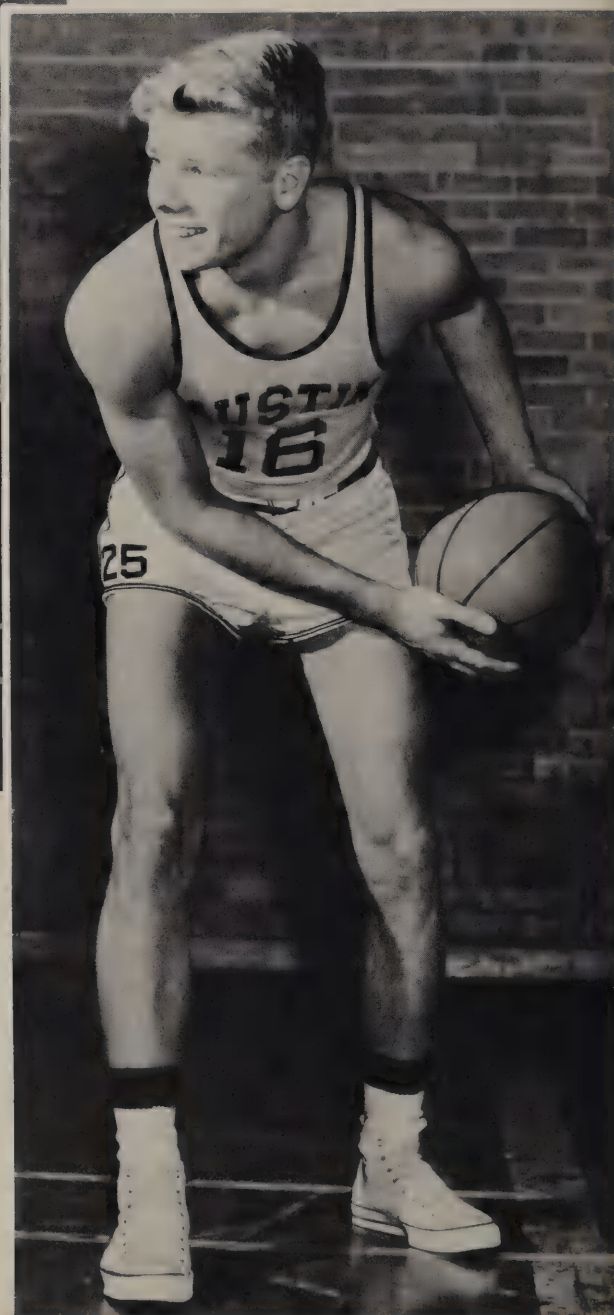

Caballero scores against Miller as Bobby Tiemann looks on.

Rogers Wilson—A real dead-eye when the chips were down, Rog showed much versatility. He began the season as an out man, but wound up in a pivot slot.

Kenneth Vaughan—The local edition of Gulliver, Ken was of great value to the team as a reserve. Here he taunts "Flea" Ramirez with his superior height.

Rex Nichols—Rex showed plenty of promise this year as the only sophomore on the squad and was used often as a reserve.

MOST LIKELY TO SUCCEED

Beginning a new tradition for the new Stephen F. Austin High School, the COMET staff of 1954 presents their choice of the Senior boy and girl whom they consider "Most Likely to Succeed" in future years.

ANNETTE LaBAUVE

NEAL KOCUREK

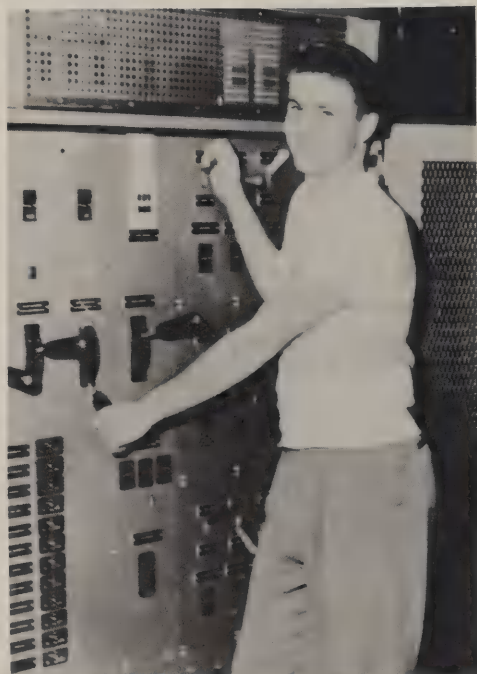

WHO'S WHO

MARTHA McKAY—President of the National Honor Society and DAR Good Citizen certainly proved brains and beauty combine.

The Who's Who of Stephen F. Austin High School contains the pictures of those students who have done outstanding work in various phases of student life.

They represent numerous organizations and activities, yet each brought honors to our school by doing more than was required of him in his particular field. These are the students who have led the way in high school, and these are the ones who will continue to bring honor to our school in future years.

RICHARD JOHNSON—When the curtain rose on a dramatic production, one could not help but think of the Red Dragon President, who spent countless hours working for his organization.

SANDRA MOORE—As President of the Red Jackets, she led the way to greater service by the organization. She was the first Hi-Y Sweetheart.

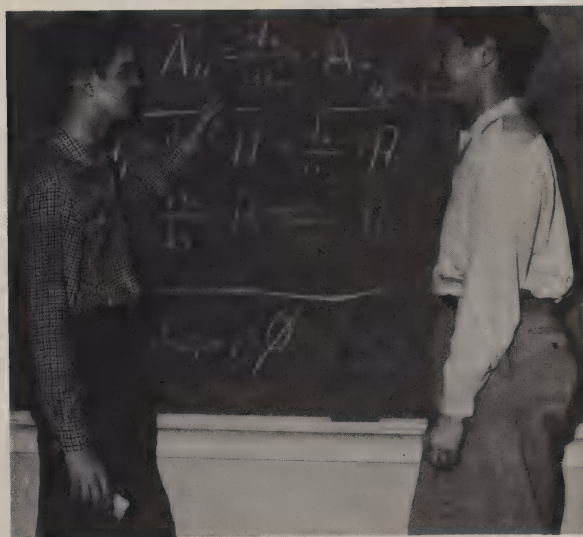

KATHY CHEAVENS—The Editor of the Comet, who always had a kind word for her staff. Your memories are the result of her leadership and patience.

CARLENE JOHNSON—Serving as head cheerleader for two years, she was always busy in some school activity.

GLEN DEE WEISE AND BILL HARRISON
Two boys who contributed greatly to the success of the Senior class by serving as Fall and Spring Student Council Presidents and Senior Class Presidents.

BOB BASFORD AND PETER OLIVER—Outstanding in the field of science, they placed among the top 300 in the United States in The Westinghouse Search For Talent.

"Hinges" and loads of Luck
Best wishes to a girl. I think alot of.
I'd wish you luck in the
years to come, but you probably
won't need it. You're about
the best I ever saw, no kidding.
We have had alot of good times
together and I hope we keep it up! (for a long time)
When you go to camp this
summer, Bill and I are coming
down to see you. I'd write more
but you're in a hurry.

Bobby

P.S. ~~Bill~~ I want you to teach
me the X dance. I'm sorry for
passing out on you! (HA!) But, it's Bill's
word against mine. Always stay
just the way you are and you won't
have to worry about a thing. This
isn't much, but I'm not too hot
on writing letters!

Bobby

Best of wishes
to a very fine
gal.
